

Dear Parents,

Warm weather is here!! To protect your child from sunburn and the effects of the sun, please do the following:

1. Apply sunscreen **daily** on your child **BEFORE** you drop them off at school.
2. If your child is at school for a **full day ( 6:15-6pm)**, we ask that you bring a **SPRAY-TYPE** sunscreen for them. Be sure to have their name on it with a permanent marker.
3. Fill out and turn this permission slip, only if your child comes full days. **This gives the staff permission to apply the sunscreen in the afternoon only.** Half Day students (8:30-12:30) will not need sunscreen applied. If you do not want your child to have sunscreen, please express your wishes below.

---

The staff of St. Michael's Preschool has permission to apply sunscreen on my child, \_\_\_\_\_ . I have provided sunscreen for this use.

\_\_\_\_\_ No, I do not want sunscreen applied to my child in the afternoon while at school.
