Director's News

Dear Families,

Welcome to July!. There were a few days at the end of June that I thought I might just melt away! We are enjoying the beautiful weather we are now experiencing with lots of fun activities outside!

The water slide has been a big hit! We have added in the days that the water slide will be up. Not all kids like to get on it, so this month we will also be adding small pools and squirters for the kids to play with. On water days, please make sure your child has a bathing suit and towel in order for them to participate. My very favorite week of all time, Camping Week is this month. If you have any "camping equipment" that we could use such as lanterns, chairs, etc please let me know. We set up camp on the playground for the kids to use all week, and it's helpful to be able to borrow items rather than purchase.

In the midst of all the summer fun, it's time for us to plan our 2017-2018 school year. IF your child attends 3 or 4 days per week and you have been thinking of switching up the days they attend, now is the time! We are at full enrollment for fall, but want to accommodate our current family's needs first! Please see me, or send me an email if you want to make any changes to your child's schedule.

Just a quick reminder-please no flip flops or sandals with no back. For safety reasons, we do not allow kids wearing those types of shoes on the play structure or on bikes. Toes should be covered, and the shoe should be snug. Unfortunately, because we play on blacktop, wearing flip flops or sandals really leads to ouch reports!

Hope you all have a wonderful 4th of July and we will see you on the 5th!

Ms. Colleen

Pre-K Frogs News

Dear Families,

I would like to start by saying congratulations to all of the Pre-K graduates. You guys did an amazing job! Your parents and I could not be more proud. I cannot believe that July is here, filled with many exciting activities. We will be going on field trips, and continue our water days once a week. With this said, please send your child a bathing suit, water shoes and towel. Our themes that we will cover will be Rockin' in the USA, Fairy Tales, Camping and end with Carnival. Lastly, please check your calendar for the field trips. Please have your child wear their chapel shirt on those days.

Love Ms. Diana

Pre-K Giraffe News

Dear Giraffe Families,

Summer is finally here! We have had so much fun with our summer activities. I am really enjoying being with the Giraffes everyday and doing some fun activities like shaving cream painting, dancing,, making slime and lots of other fun things.

We had our Fathers day picnic, and had a great time with the yummy food that everyone brought and or water balloon toss. Thank you all for coming out and being part of this special day.

July start off with Rockin'in the USA, followed by Fairy Tales, Camping and Carnival week.

I have a lot of fun activities planned for these weeks, such as, 4th of July shakers, Fairy Dough. Marshmallow painting and Ball toss.

I will also be working on their fine motor skills over the summer to help them prepare for their writing skills in the fall, some of the activities I will do to help will be playdough, cutting, coloring and lacing. I will also be attending the Handwriting Without Tears Workshop on July 7. Very excited to attend!

Ms. Misti

Owl Class News

We have had a great start to our summer with many fun activities every week. To start the month of June we celebrated all of the great fathers and grandpas. Thank you to everyone who came to our picnic.

The following week began with water play on our waterslide to keep cool. This has been a lot of fun for the Owls and will continue for July. For beach week we not only did some art in the classroom, but we also had a luau lunch with fun lei's for all. To end the month of June, we experimented with different kinds of gooey slime. We had a blast!

Moving onto July we will begin by celebrating the 4th of July. We will learn about fairy tales, talking about the characters, role playing, and even have a dress up parade for the entire school. We are looking forward to camping week and all the fun that will bring. Carnival looks to be a fun week, with games and treats for all.

Psalm 74:14 "It was you who set all the boundaries of the earth, you made both summer and winter."

Let the fun continue!

Ms. Jessy & Ms. Shonece

During the summer as we say good bye to our Pre Kinders, we start transitioning children into new classrooms. Some will transition in July, some will transition in August. We work as a team to determine the best placement for your child You will be notified before your child moves up. We usually have them visit in the classroom they will be going into prior to them officially starting We try to make the transition as easy for all as possible. If you have any questions or concerns please see me!

Elephant Class News

Dear Families,

We have started our summer fun and activities. In the month of June we celebrated our wonderful dads with a picnic. I hope all the dads had a wonderful fun day. We started having our waterslide days so please remember to check your calendars to see what days we will be having it in July. We will have fun this month celebrating the 4th of July, having dress up fun days for fairy tale week, practicing our camping skills and having a week of the carnival life. Please keep handy your calendars to see our many activities throughout the month and the entire summer. I'm excited to enjoy the summer and have days filled with lot of fun.

Love,
Miss Miriam

Butterfly Class News

Hello Families,

Hello Summer,

We welcomed new butterfly friends las month. In these summer months our older butterflies will start moving up to the Owl Class. We are proud of the butterflies and will miss them.

We had a lot of fun last month making a gift for daddy. Thank you all for joining us, we had a lot of fun at the picnic. We have lots offun activities planned for July. I will be on vacation from July 14 and return on July 17. In my absence Ms. Colleen and Ms. Shonece will be teaching the class. Wish them luck!

This month's theme is fine motor skills. Also, we will be working on self help skills. The skills include putting on our shoes and socks, putting away our own bedding after nap, and our ever important table skills. You can help by making sure their bedding is easy for them to handle, small pillows and blankets, etc. As always, we appreciate your support!

Have a great month,
Ms. Kittie
