Director's News

Dear Families,

Welcome to the brand new school year! It was such a busy month last month; we are ready for the new school year and all the fun it brings! We are glad you are here to spend this year together.

Have you noticed the construction? A lot of it has been behind closed doors, but the workers have been busy. We have taken the former church office and staff room and are turning it into a new classroom. The former church bathroom will be integrated into the new classroom. We hope to be in the classroom in early fall if all goes well. We will keep you informed, but it has been exciting to see the work progress.

I hope you all got a chance to look at the Back to School packet. It was left in your parent cubby on Monday. It has lots of helpful reminders, as well as the 2017-2018 list of School Events and School Holidays. Please make sure you keep that handy!

On Sept 6 we will have our Pre-K Frogs and Monkey class Back to School Night. The Back to School Night for Owls, Elephants and Butterflies is on Sept 27. We hope you will join us for an informative evening.

It's September....so that also means that the Annual Supply Fee of \$120 is due. This is the yearly fee that helps provide materials and consumables for the classroom. If you started anytime other than September, that amount was prorated at the rate of \$10 per month. The supply fee is due by Sept 15th.

Hope we see lots of Grandparents at our Grandparents Breakfast on Sept 11. They are invited for a delicious breakfast with their grandchild from 10-11.

See you next month,

Ms. Colleen

Pre-K Frogs News

Dear Families,

Hello! Hope you all enjoyed your summer. It sure went fast! I would like to welcome Alexa, Lucas, Amelia, Ben, Hudson, Mason, Brooklyn, Nolan, Landon, Vivienne, Grayson and Kaydence to the Pre-K Frogs! So excited to get this year started. During the month of September we will be going over classroom rules, expectations and routines and of course having fun while doing it. My goal for this year is to do my very best to have your child ready for Kindergarten when they leave the Frogs. With that being said I look forward to a fun filled year of exploring, discovering and learning. Please mark your calendars for Sept 6; this is our Pre-K meeting. Hope to see you all there.

Love, Ms. Diana

Pre-K Monkey News

Dear Monkey Families,

I am so excited to be teaching Pre-K this fall. I want to welcome Brecken, Grayson, Lukas, Olivia, Quinten, Lucas, Sienna, Katelyn, Sophia, Nathan, Isabella, Darlene and Brody to the Monkey class. I am so happy to have you in my class. We are going to start off with learning our classroom and getting to know our friends. We are going to have an amazing year with learning to recognize and write our letters and numbers and so much more! See you at the Back to School Night on the 6th!

Love,
Ms. Misti

Owl Class News

Dear Owl Families,

Summer has officially come to an end and the new school has begun. We would like to welcome everyone to the Owl class and hope that you are just as excited as we are to start the year! This summer was a lot of fun, we had the waterslide for those hot summer days, a carnival, and our big end of summer BBQ which turned out great. Although we will miss all of the Pre-K graduates, we are happy welcoming all of our new families and students. We have many new friends with us now, some from the Butterfly class, and some are new to the school.

As you may have read Ms. Shonece is now the co-teacher in our class. With us both in the class, our class has now expanded, which means that we now have a slightly different daily schedule. The schedule is posted on our classroom door. Please feel free to ask us any questions in regards to this change. We also know that there will be days where saying good-bye can be tough, both for the child and the parent. Please do not hesitate to ask us for help, that is what we are here for!

This month we will all about introductions, from introducing ourselves, to introducing your child to different math, fine motor and gross motor concepts. We hope to make a great learning experience for your child!

Ms. Jessy & Ms. Shonece

Matthew 19:14 "But Jesus Said, "Let the children alone, and do not hinder them from coming to me; for the Kingdom of heaven belongs to such as these."

Our Fall Field Trip is scheduled for Friday, October 6. We will be going to Smith Family Farm. We will use parent vehicles and will need all hands on deck! Want to get some volunteer hours? Join us; it's a great field trip full of fun and friends. Pumpkins, hayrides and singing too!

Elephant Class News

Dear Families,

A big welcome to all my new Elephant families! Our summer is done and I think we can all agree that we had a blast. We ended our summer with making our own pizzas and having a fun picnic with our lovies. Luckily the fun is still not over; it's time to start our new school year which means new adventures, new friends, and a new curriculum. In the month of September we will focus on getting to know each other, the rules of the classroom and getting into our Elephant class routine. Please remember to always look at your curriculum to see what we will be doing for the day as well as future events for the classroom and for the school. I love hearing from each of the families in my classroom so always feel free to chat with me before or after pick up about any concerns or questions you may have. My goal this year is to work together so that every child will have a fun and engaging learning experience. I'm glad to be a part of your child's learning adventure while at St. Michael's. Get ready for a fun filled school year.

Love,
Miss Miriam

Please join us on Sunday October 1st for a joint celebration with St. Michael's Church and St. Michael's Preschool for the Annual St. Michael's Festival. Services are at 10:00, after the services we will have a lite brunch a jumpy house for the kids, face painting, fellowship and more. We hope you can join us for this celebration!

Butterfly Class News

Hello Families,

Welcome to a new school year. Welcome to our new families and our current families. We are very excited for the new school year.

This month as a class we will work on learning our class routines and we will work on our listening skills. That includes being able to sit down at circle time, following directions and expanding our attention span.

We're going to have fun things in the classroom this month. We will learn everything about red, circle and apples. The school year will be emphasizing what the child's interests are and expanding on it. For example, if they're really interested in cars and trucks we will expand on that and have more activities.

We are really excited that your child is in the Butterfly class this year and are looking forward to a fun year.

Love,
Ms. Kittie and Ms. Kristen
