Director's News

Dear Families,

Happy 4th of July! We hope that you and yours have a wonderful holiday! As a reminder, we are closed on the 4th, but regular hours the rest of the week.

You might have noticed....Ms. Alicia is pregnant! We are going to host a "shower" for her on July 11th. Join us for cake and ice cream at 4:00 to help welcome her sweet baby girl! The plan is that she works through August, but as Kendall was early, we know at any moment it could be her last day! She is expected to be back to work in January 2019. Wish me luck while she is gone!!

Summer is rolling along just fine. We enjoy the special "theme" camps, and my all time favorite week, is coming up soon! Can you guess which one is my favorite? It involves S'mores! We have enjoyed the new soccer goals, working in the garden, all the arts and crafts and special events. And there is more to come!

That leads us into all the fun events of August, including our Family BBQ on August 7th. We have moved that date from the 16th as the MDUSD starts their new school year on the 16th and we want our old Pre-K families to come! We provide the hot dogs and hamburgers, you provide a side to share! And wouldn't you know it, that's National Night Out! Some other cool activities will held...what a great way to meet some new families! I may be looking for a little BBQ help, if that's your thing, please let me know!

Before you know it....it's Back to School! We are official full for fall! Yay! We also have exciting news about our "sister church", St. John's in Clayton. They will be opening up a preschool in the fall. They have a building that was built as a school but never fully utilized. They are remodeling now, adding a playground and will be up and running before you know it. Exciting things happening!

Until next month,
Ms. Colleen

Pre-K Frogs News

Hello!

Congrats again to the Pre-K graduates. Ms. Misti and I could not be prouder of each and every one of you! It was a fabulous year! I would like to welcome Chaya, Olivia and Nolah to the Frog Class!

This month we will start our walking field trips. Pre-K grads only, the new friends will stay back at the school. I put all of your child's clothes buckets back in the classroom, hopefully you had a chance to go through and change the clothes out. As the days are getting much hotter, remember to apply sunscreen in the morning and we will reapply in the afternoon.

Happy 4th of July! Be safe out there,
Love,
Ms. Diana

Pre-K Monkey News

Hello Families,

First off, I would like to say that Graduation was amazing! They all did a great job with their performance. I loved seeing how much they have changed since the beginning of the year. I am going to miss them as they head off to kindergarten. Thank you to all that came to the Father's Day Picnic, and to everyone who brought food to share. It was so great to watch you play with your children.

July...can't believe it. We are officially in summer now. We have some field trips planned, I have placed a ** by the ones that are only for the Pre-K graduates. Incoming Pre-K will stay here at school. We have water activities planned, please make sure your child has extra clothes. And remember to apply sunscreen on your child in the morning, we will reapply in the afternoon.

If you have any questions, please ask!
Love always,
Ms. Misti

Elephant Class News

Hello Elephant Families,

We are officially in summer! This is such a fun time for all of us. It's a time to enjoy our summer activities and the wonderful weather. We will be spending more days outside and having themes like Backyard Camping and Under the Sea where we will be engaging in lots of waterplay, and Jungle Safari where we will learn about different animals and their environments.

In June we welcomed many new friends into our classroom for the summer. We celebrated Father's Day, and it was so great to see you at the Park. We had a week of learning about bugs, we learned which bugs fly or crawl and how we need bugs in our environment. In our last week of June, we had a week of being scientists. We made slime and did a few different experiments.

Please remember to look at your child's extra clothes bin and add appropriate summer clothes if needed.

I'm excited to see what fun we will have this summer together!

Love,
Ms. Miriam

Butterfly Class News

Hello Summer!

This month we welcomed new Butterflies. Welcome Noah, Max, Matthew and Jayden to St. Michael's and the Butterfly class. We are proud of the Big Butterflies as they have been kind and gentle to our new friends!

We had a lot of fun last month making a gift for daddy. Thank you all for joining us. We always love the games and especially the water balloons!

This month's theme is fine motor skills. This includes using our fork and spoon while eating. We will have a variety of art supplies and mediums in Little Picasso week. We may be messy that week! Keep an eye out on the calendar, we have the dates for waterplay and other events on the calendar!

Have a great 4th!

Ms. Kittie, Ms. JoAnne and Ms. Kristen

Owl Class News

Dear Owl Families,

We've had a great start to our summer here at St. Michael's. It began with our Father's Day celebration which was a lot of fun, thank you to all of you who made it and we hope you had as much fun as we did. This past month we have been trying to stay cool with water play outside and even going out to the grass for snacks and group sports. In class we have set up our dramatic play hair salon which the Owls have really been enjoying as well as our kitchen area.

This month, as we have had new friends join us in the Owl class, we have been working on showing them our daily routine, the classroom rules, and most importantly how fast the day can go by when you are having fun! Our goal is to make school a fun and loving place for your child and to see them excited when they come to school in the morning.

For the month of July, we will be having our water play days, so please remember to bring in some extra summer clothes for your child's extra clothes bin. We hope everyone has a fun and safe Fourth of July!

Ms. Jessy and Ms. Shonece

Chapel Topics

July 4	Closed for the Holiday	
July 11	Different Kinds of Prayer	1 Timothy 2
July 18	Love in Community	1 Cor 13:4-8
July 25	Welcome	Matt 10:40-52

Chapel times are 9:00 for the Monkeys, Frogs and Elephants for the month of July. Chapel is 9:30 for the Owls and Butterflies. You are welcome to join us anytime

Like to Party???

Then join me for a super fun WORK party! Gotcha, didn't I? We will be having a work party on either July 28 or Aug 4, depending on weather and availability of helpers. Lots to do before Back to School! More info later in the month but let me know if either of those dates will work for you. We'll be touch up painting, repairing and general clean up! Get those volunteer hours done!
