Director's News

Dear Families,

Woohoo!! We made it to the summer! Such a bittersweet time of year as we say good-bye to our kids going off to Kindergarten and hello to our new friends. But you know what we say, once you are in our St. Michael's family, you're in for life!

What a crazy month May was!! Having our plants taken from the garden turned out to be such a blessing! We ended up raising over \$2,000 from our bake sale and from donations from generous folks. We had plants donated from Sloats, and we had the most fun day EVER with the Concord Police Dept. I never could have imagined that this negative event could have ended up being such a positive experience for the kids. Wow! Thank you to all who baked, bought baked goods, helped with the garden, showed up for the police visit, and just supported us in general. We are all better for the experience! This St. Michael's community is truly the best!

Our Mother's Day lunch also turned out so much better than I could hope for. It was a real pleasure to be able to give you moms a break and let you enjoy the day with your child. A HUGE than you to Mr. Jim who did all the cooking. He was the real hero of the day! It was fun getting to watch all the moms relax and enjoy the day.

It's Dad's turn!! Our Father's Day Picnic is on June 15th at Baldwin Park. Since we cooked for the moms, we feel it's only right to cook for the dads. Hot dogs, hamburgers, beans and more is on the menu for the dads. Reservations required, the sign up sheet will be posted soon. Get ready for the water balloon fight, and remember, if you get me wet, I raise your tuition!!

I know this is in your calendar, but get ready for Pre-K Graduation June 8th at 6:30 in the church. The kids have worked hard, just you wait and see!

Until next month,
Ms. Colleen

Frog Class News

Hello!

Thank you for another successful school year! I have had a wonderful time with all of my Frog students. Each and every one of them will hold a special place in my heart. I'm wishing all the Frogs nothing but the best as they enter Kindergarten!

We will continue with our Summer themes, as well as review numbers and letters and continue to write. We will also have weekly fieldtrips. Please remember with it being summertime and hot outside, to apply sunscreen to your child in the morning, and we will reapply it in the afternoon.

Looking forward to a very fun summer!
Love, Ms. Diana

Monkey Class News

Hello,

Wow, I can't believe it's the end of the year already! It has been so great getting to know and watching your children grow over the year. It has been so great to have your children in my class and I am going to miss each and every one of them. This is such a hard time of year for me, having to say goodbye to all the great families. Hopefully you will come by and visit.

Graduation is coming so fast, June 8 @ 6:30 pm. The kids have been working so hard practicing for their graduation ceremony. It is going to be an amazing night! Don't forget your tissues.

Mark your calendars for our Father's Day BBQ on Friday June 15 at Baldwin Park. Our summer program starts June 11, with lots of great activities. I will also continue to work on their writing skills, letter and number recognition throughout summer.

Love, Ms. Misti

Elephant Class News

Hello elephant families,

Time is sure passing quickly! We are done with May and into June we go, which means we're almost done with the school year. Our biggest activity last month was celebrating our wonderful moms. It was so great to see all the moms enjoying lunch with their child(ren). I hope you all enjoyed your time and had a wonderful Mother's Day. This month we had two weeks of learning about community helpers. We learned about how their work plays such a big part of our everyday lives. I changed our dramatic play into a vet clinic and the kids have been loving it! It's so great to see them playing doctor and trying to help the animals by treating them so gently.

It's hard to believe that soon my Elephants will be leaving me to go to Pre-K, but we will still have a fun filled summer together. In June we will be talking about transitioning into a new classroom with different teachers. And we will finish the year with a class party! We will also be celebrating our dads with our Father's Day picnic in at the park. Please remember that we will be closed after. I think we're all ready to have a great summer and enjoy the time we have together as Elephants!

Love,
Ms. Miriam

Butterfly Class News

Hello Families!

We can't believe that the school year is ending. We had a wonderful year. We made new friends, learned how to be kind, had fun playing and learning, too. We also conquered milestones. Us teachers sincerely appreciate your help and generous donations with our wish list this year.

Last month the Butterflies had a great time making their Mother's Day gifts. It was wonderful seeing all the Moms at the luncheon. This month will be working on our Father's Day gifts.

We have some great activities planned for the summer curriculum. Summertime is always fun with the Butterflies. We love getting wet, dirty and messy. Happy Summer!

Love,
Ms. Kittie, Ms. JoAnne and Ms. Kristen
