### Colleen's Corner

Dear Families,

Welcome Back to School! I love this time of year with all the anticipation of the new school year! Good-bye summer, hello fall!

Lots of news...as you might have heard, we have 3 Pre-K classrooms. Exciting stuff...but the down side to that is that I am sending Miriam to the Learning without Tears training on Sept 6 and that same week Mr. Louis is on vacation. Due to that we have to cancel the Grandparent's Breakfast. We will make it up to our amazing Grandparents by sending home a special gift. Look for it in your child's cubby! Our PreK Back to School night is this Thursday, Sept 5 for just the Pre-K Families. The Back to School night for all other families is on Sept 26. Hope to see you there!

This month the annual supply fee is now due. It is 120 per student. We use these funds to enrich our classrooms, purchase new materials and consumables, and to help make our school amazing! You can add it to your Sept tuition if you prefer.

School pictures will be Sept 9-11. More info on which day your child will take their pics at the end of the week. Also, are you on Remind? It is the app we use to communicate with you. We post pictures almost daily and most reminders are posted there as well. You can also private message your child's teacher or myself! It is a great communication tool, so if you aren't signed up please see me for directions on how to! You don't want to miss out!

Lots of fun up ahead. Our annual all school field trip to Smith Family Farm is scheduled for Friday, Oct 4. We've been rained out before, we've had 100 degree days before. We will send out permission slips later, but be sure to mark your calendar, it's always fun!

Be sure to mark Oct 31 on your calendar too! We will have our Annual Halloween Parade and Festival beginning at 9:30. I'll be looking for some helpers to man the craft stations! Look for sign-ups early October.

Until next month,  
Ms. Colleen

## Pre-K Frogs News

Hello Frog Families,

Welcome to a new school year! I hope everyone had a wonderful summer. Whether you're a new family to St. Michael's or returning, I would like to wish you a warm welcome! Please take the time to read the monthly newsletters thoroughly as they are filled with important information and upcoming events.

Our Pre-K parent meeting will be on Sept 5, at 6:00pm. Child care will be provided. At the meeting we will be discussing what your child will be learning throughout the year.

Super excited to get this year started!

Love,  
Ms. Diana

## Pre-K Tiger News

Happy Back to School Tiger Families!

I would like to welcome all of you to the Pre-K Tiger class. I am so excited to have your child in my class. We are going to have a great year. During the month of September, I will be introducing our classroom routines and rules to help keep them safe inside as well as outside. Your child will be making new friends and getting comfortable with their new classroom.

Mark your calendars for Back to School night on Sept 5<sup>th</sup>. We have an informational folder for everyone to take home and we will go over all the information in the packet and answer any questions you may have. I hope to see you there!

Next month is our Annual Smith Family Farm trip on Friday, Oct 4<sup>th</sup>. It's going to be so much fun!  
LOVE,

MS. MISTI

## Elephant Class News

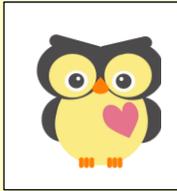

Hello Elephant Families!  
Hello to all my wonderful Elephant Families,

We've had a great summer filled with lots of fun and great memories, and as hard as it is to see the summer go, I'm excited to begin our new school year. This year is even more exciting for myself as a teacher because I have been given the chance to be a part of Pre-K! This is a great experience for myself and along with your children as we learn together! I have a great support system with Misti and Diana who are available to answer any and all my Pre-K questions!

We will start the month of September getting to know one another as a class and getting to learn the ins and outs of our classroom. We will have a week of all about me where I will send papers for you and your child(ren) to fill out together, this is a fun project as a family. We will learn about how to be safe in our school environment and how to be kind, respectful friends. I am ready for this new adventure and excited for a fun, exciting and learning experience with your children.

Love,  
Ms. Miriam

## Owl Class News

Hello Owl Families,

Summer is officially over! We had so many fun activities this summer! We all enjoyed the end of summer BBQ. It was such a good turn out and we had so much food! Bike day was also a hit! The kids had some really awesome bikes! We also had water play and the kids really enjoyed getting wet. And don't forget the amazing Lori and RJ show that was so much fun. The kids all got to dance, it was a blast!

I can't believe summer is really over but I am thrilled the new school year has begun. We will be busy learning letters, shapes, colors and so much more! Just FYI, I am on vacation the first week of Sept, but back for fun the second week. In my absence Ms. Colleen is taking the class!

Mr. Louis

## Butterfly Bulletin

Hi Butterfly Families!

Welcome to a new school year! Welcome to St. Michael's Preschool.

This month as a class we will work on learning our class routines and working on listening skills. That includes being able to sit down at circle time and following simple directions.

We're going to have fun things in the classroom this month. We will learn everything about red, circle and apples. We hope you can make it to our Back to School Night on Wednesday, Sept 26<sup>th</sup>. This will give you a chance to check out all the materials in our classroom and ask all the questions you want! I am excited that your child is in the Butterfly classroom and so excited about the journey ahead!

Love,  
Ms. Kittie

## Ladybug Class

Hello all my Ladybug Families and Welcome!

The new school year is here and it's time to say goodbye to summer. I am eager to watch the new Ladybugs grow and develop their skills, whether it be academically, socially or physically.

Throughout this month our class will be learning the beginning of the alphabet, some primary colors, as well as shapes. In order to get a better understanding of them, our class will be doing activities involving either the letter, color or shape in an artistic, scientific, mathematical or even cooking. My goal is to make the learning experience as fun and engaging as possible. Some important dates this month are Sept 9-11, which is school pictures, our back to school night on Sept 26 where our class will be open and I'll be ready for your questions. Our Annual trip to Smith Family Farm is Oct 4, hope you can make it.

It has been a pleasure meeting all of you and I look forward to a great year. If you have any questions for me feel free to leave me a note in your child's folder as I do check them daily. Don't forget to check them as well for any important papers, notes or reminders that may be in there. Let's have an amazing year and I will see you all at Back to School Night.

Love,  
Ms. Jessy
