### Colleen's Corner

Hello families!

We survived the first month of summer and are having so much fun! Lots more fun to come! As a reminder, we are closed on Monday, July 5<sup>th</sup>. Hope you have a wonderful holiday!

The latest on the mask situation....every agency that we have contacted gives us conflicting information. It's hard to know exactly who to listen to. The latest info, as we understand it, is that kids have to wear them inside but not outside. That could change at any time, and we hope that it will and we can quit wearing them inside. Any updates will be posted on Remind. I will say that the kids have been awesome at wearing them, better than most of us adults!

Thanks for all that were able to attend Donuts with Dad. Great crowd, and aren't we lucky that we can use the Parish Hall when the weather gets too hot?

You know what July means?? The new school year is rapidly approaching! IF you would like to change the days your child attends, now is the time to let me know. We do anticipate being full by September, so the sooner I know, the better. The new school year officially starts on Monday, August 23<sup>rd</sup>.

I almost don't want to say this and jinx it, but I think we will be able to host our used to be Annual End of Summer BBQ. This is one of my favorite events, so we are very excited that it looks like it will be possible. It will be in early August, more info in next month's newsletter. Fingers crossed that cases stay down and life continues to open up.

No news is good news, right? Happy to report that all is well on the St. Michael's home front. Let's keep it that way! Here's to the rest of the summer being as good as the beginning!

See you next month,

Ms. Colleen

## Pre-K Frog News

Hello Frog Families,

Welcome Max, Niko and Nico to the Frog room. We are glad you are here! We started off our summer with Spirit week. It's always fun seeing how creative the kids can be with their attire. The following week was Getting' 'Dirty and then we wrapped up the month with Happy Campers. We set up camp with chairs, tents, lanterns and play food. The kids had a blast! Of course, we can't forget some really cool art projects and yummy s'mores.

We had fun celebrating Donuts with Dad for Father's Day. Thanks to all who were able to attend.

We have lots of fun planned for July. Some of our themes include Stars and Stripes, Stomp, Chomp and Roar and Making a Splash. Lots of fun up ahead.

As a reminder, please apply sunscreen on your child in the morning and we will reapply in the afternoon.

Love,  
Ms. Diana

## Pre-K Tiger News

Hello Tiger Families,

First off, I want to say congratulations to all the graduates.

I hope you a wonderful Father's Day! It was nice to see so many Dads that were able to come for Donuts with Dads, they had a great time.

Wow July, I can't believe it. Well, we are officially in summer now.

Our themes for this month are Stars & Stripes, Zoo Animals, Stomp, Chomp, and ROAR, Makin' a Splash, and Sand & Sun. We have some great activities planned. We have some water activities planned, so please make sure your child has extra clothes. Please remember to apply sunscreen on your child/children every morning, we will reapply in the afternoon.

Reminder we are closed Monday July 5.

If you have any questions, please don't hesitate to ask.

It's going to be a great summer!

Love Ms. Misti

## Kinder Class News

Hello Kindergarten Families,

Summer is in full swing! We blasted into summer with our straw rockets, crafted a week's worth of different snacks with Ms. Kittie, got our hands dirty playing with Ms. Jennifer's fun outdoor messy play, and transformed our school into a summer camp where we enjoyed the great outdoors and learned some basic Scouting skills as I am a Scoutmaster with the BSA.

The beauty of summer is each week is packed with fun indoor and outdoor activities that are a collaboration of ALL the teachers together. July will bring us Stars & Stripes, Stomp Chomp & Roar, Making A Splash and ending with Sand & Sun Fun. With all this fun, there will be water play and so please make sure your child has a spare set of summer clothes in their cubby in case they want to change.

I like to do a toast to hydration through our day to make sure the kiddos are staying hydrated. Please make sure your kiddo had a labeled water bottle with them daily. Thank you!

Yours in Inclusive Teaching,  
Ms. Jen

## Owl Class News

Hello Owl Families,

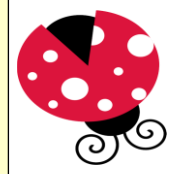

It's been a great first month in the Owl Class! Mr. Louis and the Owls have been so welcoming and showing me the ropes of how it is done in the classroom. We have started our summer with lots of fun inside and outside the classroom. I'm excited to continue the summer fun and create many new adventures in the Owl Class.

What a month June was! We went from showing our school spirit, to playing in mud and even going camping. We loved seeing the Owls showing off their favorite super hero and how they move in action. For Getting Dirty Week, the Owls played with mud and we asked what it smelled like and how it felt. Some said it stinks and really didn't want to touch it at all. For Happy Camper Week, we went on a journey to a campsite and even went fishing. We made some delicious s'mores as well. Let's get ready for even more fun in July.

For the first week of July, we will have fun activities that will incorporate the 4<sup>th</sup> of July celebration. Reminder we will be closed on Monday July 5<sup>th</sup>. The following week July 6<sup>th</sup> - July 9<sup>th</sup> is Zoo Animal Week! We will be going to the zoo. Next, we will be going back in time, to Stomp, Chomp and Roar from July 12<sup>th</sup> - July 16<sup>th</sup>. Get ready to get wet because we will be "Makin' It Splash" from July 19<sup>th</sup> - July 23<sup>rd</sup>. Also please bring a swimsuit and towel on Thursday July 22<sup>nd</sup> for water play. We will finish the month off with "Sand and Sun Week" July 26<sup>th</sup> - July 30<sup>th</sup>. I'm so excited for the fun to continue all summer long and I hope you all are too!

Always,  
Ms. Miriam & Mr. Louis

## Ladybug Class

Hello July!

The first month of summer was one for the books! We packed in so much sun filled fun into June. We started the month out making a special spice rub for Father's Day, showed our school spirit, got down and dirty with mud & water play and went camping!

July is going to be just as exciting with all we have planned. We will start off the month by celebrating Independence Day! I can't wait to see how our shaving cream firework paintings turn out. It's a given that we will be outside enjoying lots of sun and water play. But we will also "stomp chop and roar" while visiting the prehistoric time of the dinosaurs, explore some zoo animals and dive deep into some ocean activities. I can't wait!

Love,

Ms. Keri

### Chapel Topics

Chapel on Tuesdays at 9:30 for Kinders, Frogs, Tigers and Ladybugs and at 10:00 for Owls, Butterflies and Turtles.

July 6	<i>Bear one Another's Burdens</i>	<i>Gal 6</i>
July 13	<i>Different kinds of Prayer</i>	<i>1 Tim 2</i>
July 20	<i>God Never Changes</i>	<i>Heb 13:8</i>
June 27	<i>Love in Community</i>	<i>1 Cor 12: 4-6</i>

## Turtle Class News

Hello Turtle Families!

Wow, Summer is officially here, and we are ready for all the sunshine and water play it brings! I want to thank all of you for being so welcoming. Every day is an exciting day at St. Michael's, and I'm very happy to be a part of it.

We kicked off the month of June with an awesome spirit week, got messy with some fun art activities, enjoyed the great outdoors during camp week, and started the festivities early for the 4th of July holiday. We worked hard on our special Father's Day gifts, and our Dads definitely deserved them because they ROCK!

In the month of July, our weekly themes will be Zoo Animals, Stomp, Chomp and Roar, Makin a Splash and Sand and Sun. We will incorporate these themes in our circle time activities as well.

With the warmer weather, please apply sunscreen to your child before school and we will reapply before afternoon outdoor play. Also, please label all belongings that your child brings to school. We want to make sure that everything makes its way back home each day.

Get ready for more summer fun!

Love,  
Ms. Rachelle

## Butterfly Bulletin

Hello Butterfly Families,

June has been such an exciting month for the class! The Butterflies and I have really had a great time getting to know each other. I certainly learned that we love getting messy with finger painting and shaving cream! I'm looking forward to learning so much more about my little butterflies next month.

July should be even more exciting with plans for dramatic play at the zoo, painting with dinosaurs and visiting our own personal little duck pond. I hope you all have a fun and safe 4th of July!

Lots of love,  
Ms. Jennifer
