Happy August Families!

I can't believe it is August already! It seems like we blinked and it's almost the end of summer. Have no fear, we still have some fun planned for the rest of the month.

As much as I like the fun of summer, there is nothing like a new school year! Our welcome packets will go out just before the new school year begins on Aug 22. Please make sure you look through the packet, it will include the yearly calendar of activities as well as other good information.

Ms. Jen who taught Kindergarten the last two years, is leaving us on Aug 5th. She plans to return to school. Thank you Jen for all you have done, we will miss you! She has said she can substitute for us, so it's see you later, not goodbye.

We have lots of classroom changes and even name changes coming up. More on that in the welcome packet, but you may see some furniture moving and new classroom names. Don't worry, fall is just a great time to make those changes.

We hope to add a few more "social" events in the upcoming year. It will depend of course on any current regulations, but we are really hoping to have a Christmas Program this year! We can dream anyway, right??

If your child has received their Covid vaccinations, please provide us with a copy of their records. (or bring it in and we will photocopy it). Though it is not mandatory yet with Community Care Licensing, I do believe that may change in the future. Might as well get organized now!

Thanks all for a fun summer! On to fall and pumpkin spice everything! Who's ready??

Love,
Ms. Colleen

Kinder Class News

Hello Kindergarten Families,

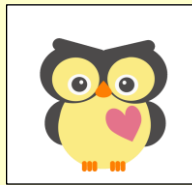

Summer is slowly coming to an end and our entire Kindergarten classroom (me included) is getting ready to move on to new adventures outside of St Michael's. We can do this! We are ready!

Thank you for letting our school be the beginning of their educational journey. Each and every one of your kiddos has impacted our daily lives with their beautiful smiles, curiosity to explore, loving and kind St. Michael's hearts and their glorious and infectious laughter! It truly has been my honor and pleasure to be their teacher.

Let's rock these last few weeks with our sports, space and end of summer themed weeks!

Forever yours in Inclusive Teaching,
Ms. Jen

Owl Class News

Hello Owl Families,

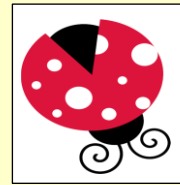

What a month July was. We were able to do so many fun activities. The month start off with the fourth of July celebration, the Owls made so many 4th of July art to take home. For Fairy Tales Week, the whole school got a special surprise from a Disney Princess and Spiderman. The next day that was all the Owls could talk about and some even said that I was Spiderman. We ended July with a 100-cup tower challenge; the Owls did their best to see who can build the tallest tower with a 100-cups. It was awesome!

As we enter August, we will have three weeks together as we finish the summer off with: Sports Week, Out Of This World Week and End Of Summer Week. I will also be moving the Owl Class back down the hall to its original classroom and will be getting my classroom ready for the new school year. I am excited to begin a new school year and get into the grove of school academics. It's time to say goodbye to summer and hello to the new school year!

Always

Mr. Louis

Ladybug Class

Hello Ladybug Families,

Welcome to August! Time is sure going by quick and it's hard to believe that we are almost done with our summer fun and going to be getting for our new school year. In July we had many fun days such as meeting some princess's and spider man! We went on our camping week of fun and got to eat some yummy s'mores. We had a Carnival with games, tattoos, and snow cones. And ended the month becoming little engineers and making lava lamps, making slime, and gum drop buildings. As we enter the new month, we will be looking at the weekly themes of kickin' it, out of this world, and end of the summer fun.

It's been so much fun being part of your child's summer and I'm glad I was able to enjoy them before they move into higher classes. As a reminder we will be closed August 19th for our staff in-service and our first day of the new school year will be August 22nd. I am looking forward to start a new school year and have new friends join me I. The class!

Love,

Ms. Miriam

Turtle Class News

Hello Turtle Families!

Summer is winding down, and we will welcome a new school year at the end of the month. July was all about using our imagination and creativity. We played fairy tale dress up, explored the campsite at Camp St. Michael's, enjoyed snow cones at our carnival, and polished our engineering skills. August will bring us Kickin' It week, Out of this World, and a cupcake celebration to close out our summer fun.

I'm very excited for our first day of school on August 22. We will miss our friends who are moving on to Pre-K, but can't wait to welcome new friends to the classroom. I hope you have a relaxing end to your summer and look forward to the start of a new school year.

Love,
Ms. Rachelle

Butterfly Bulletin

Hello Butterfly families,

Woah! Summer is going by so fast! We had so much fun in July. From treasure hunts, making wands and potions, dressing up in all kinds of costumes and meeting Belle and Ariel to working on only the coolest science projects, we had a blast! Our camping activities were so fun; especially when we got to eat those tasty s'mores snacks. The carnival activities we got to do were so much fun. I think we enjoyed eating snow cones the best!

In the coming month of August we'll be getting ready to say our goodbyes to the older Butterflies who will be moving into bigger classrooms as we welcome new little ones in for the coming school year. But before we say our goodbyes, we'll make sure to have a fantastic end to summer together with sports games, out of this world activities and a simple picnic out on the grass.

I'm looking forward to the beginning of the new school year. I think we will have a great time together.

Lots of love~ Ms. Jennifer
