### Colleen's Corner

Welcome to Summer!

Happy 4<sup>th</sup> of July! Hope everyone has a relaxing weekend with family and friends. I think we are due one! Summer has been moving along nicely. We so enjoyed the Bubble show, it was so fun! The first week of July we will have a show with special Disney characters and a superhero! Can't wait to see their faces!

The only thing I wish I could change this summer...all the bugs the kids seem to be catching. I'm sure it is a result of all of us avoiding large crowds over these last 2+ years, but we sure seem to be getting lots of germs floating around. I have been in contact with both County Health and State Licensing and they assured me it's everywhere, even though it feels like it's just us. We will continue to clean and sanitize like we always have. Please understand when we send your child home with symptoms, we aren't picking on you! Just trying to remain healthy in spite of a pandemic.

Some of our friends will be leaving us this month and on to new adventures in Elementary School. We wish them the best! Always a hard time of year when we have to say good bye to some of our besties. We will be moving up kids into new classrooms this month, we try to have them visit first before they move to get them excited about the adventure ahead. By August, all our classes will be settled, so if you have a schedule change in mind, see me sooner than later.

As a reminder, we are closed on July 4<sup>th</sup>. Hope you and yours have a wonderful weekend! Stay safe everyone!

Love,

Ms. Colleen

## Pre-K Frog News

## Pre-K Tiger News

Hello Frog Families,

Congratulations again, Pre-K Frogs and Tigers. It was so nice to have a graduation after not having one in 2 years. I'd say it was a success!

July, I can't believe it! We are officially in summer now. If you have not already, please go through your child's extra clothes and make sure that there are two extra sets of clothes. Please make sure they are appropriate for these hot days. As a reminder, please apply sunscreen to your child in the morning, and we will re-apply as needed. It's going to be a fun summer!

Love,  
Ms. Diana

Hello Tiger Families,

First off, I want to say congratulations to all the graduates.

I hope you had a wonderful Father's Day! It was nice to see so many Dads that were able to come for donuts with Dads, they had a great time.

Wow July, I can't believe it. Well, we are officially in summer now. Our themes for this month are Rockin in the USA, Fairy tales, Let's go camping, Carnival fun, and Little Engineers. We have some great activities planned. We have some water activities planned, so please make sure your child has extra clothes, also check your child's extra clothes to swap out for appropriate size and for the warmer weather. Please remember to apply sunscreen on your child/children every morning, we will reapply in the afternoon.

Reminder we are closed Monday July 4.

If you have any questions, please don't hesitate to ask. It's going to be a great summer!

Love Ms. Misti

## Kinder Class News

Hello Kindergarten Families,

Summer is in full swing! We blasted into summer with our themed days, got our hands dirty playing with Ms Kitty's outdoor messiness and worked hard with red, white and blue crafts.

The beauty of summer is each week is packed with fun indoor and outdoor activities that are a collaboration of ALL the teachers together. July will bring us Fairy Tales, Camping, Little Engineers and Carnival Fun! With all this fun, there will be water play and so please make sure your child has a spare set of summer clothes in their cubby in case they want to change.

We like to do a toast to hydration throughout the day to make sure the kiddos are staying hydrated. Please make sure your kiddo has a labeled water bottle with them daily. Thank you!

Yours in Inclusive Teaching,  
Ms Jen & Ms May

## Owl Class News

Hello Owl Families

Summer is finally here! We have been having so much fun with all our fun filled activities! We also enjoyed a performance from the amazing Bubble Lady. She had bubbles everywhere during her awesome performance and the Owls were amazed with all the bubbles she made. For Father's Day we had Donuts with Dad and we loved seeing all the Awesome Dads come and have a donut. The Owls also made a special gift for their dads, The Owls worked extra hard on their Father's Day Gift. I hope you all enjoyed it as much as we did putting them together. Since the weather has been so nice, we have been doing a lot of water play as well. Please remember to bring an extra set of clothes as the weather permits for water play! Also please check your child's extra clothes bin often.

Who's ready for July? I know I am and I can't wait as I have some cool activities planned for my Owls this month.

Love

Mr louis

## Ladybug Class

Hello my Ladybug families,

Hard to believe that are one month done with summer and we have had so much fun. We started our summer time with lots of crafts in the classroom and outside the classroom. We've painted, made ooey gooey art, had water play days, and had of the greatest bubble shows ever! We ended this June by getting ready for the 4th of July. As we move into the weeks of July we'll have fairy tale week, camping week, and carnival week. This summer fun is just getting started and I can wait to see all the fun we'll have as a class.

Please remember to look in your child's extra clothes bin to see that all clothing is size and weather appropriate.

Let's keep enjoying our summer fun and enjoy our time together.

Love,  
Ms.Miriam

## Turtle Class News

Hello Turtle Families!

Summer fun is officially underway! A big welcome to our new Turtles. We're so happy you've joined us for the summer. In June, we tried to keep cool with lots of creative indoor arts and crafts and water play outside. I hope you enjoyed Donuts with Dads. I know the Turtles love sharing these special experiences with their families and were very excited to show their appreciation for their #1 Dads. Another highlight from June was the bubble show! Who doesn't love playing with bubbles?! They were so amazed at how big the bubbles got, even big enough to cover some of our friends!

July is guaranteed to be just as packed with fun filled activities. Our themes for the month are fairy tales, camping, carnival, and STEM. The summer heat won't stop us from enjoying all this imaginative play, and I'm sure there will be more water play days sprinkled in.

A skill we have been working on is putting our bedding on our mats with little to no assistance. We work on it each day and even when we get frustrated, we try and try again because practice makes perfect!

Keep working hard, Turtles!  
Love,  
Ms. Rachelle

## Butterfly Bulletin

Hello Butterfly families,

Time flies when you're having fun and the month of June made no exception. We had an absolutely great time over the past few weeks. I think our little picnic at the beginning of the month has to be one of the most funnest things the Butterfly class has done in a long time. We had a lot of fun doing a lot of art, then exploring all kinds of beach activities; the Butterflies really liked our beach near snack! We had fun getting messy too with jello, sand and shaving cream. And who could forget all the fun we had with the splash pads?

Next month is going to be so much fun too. We've got a recipe to make fairy toast, and I think we will really enjoy this sweet treat! We also plan to dress like royalty and decorate our own crowns to take home. Then we're gonna explore camping with a day full of playing in our pop up tents and we'll enjoy another sweet treat of S'mores mix. We're also gonna have a week dedicated to all kinds of things you can find at a carnival. Yummy snacks and fun games! Lastly, we're gonna practice with our building skills and see if we can make some tall towers with blocks and shaving cream.

Summer is moving so fast, but it isn't over yet! I look forward to playing, eating yummy snacks and exploring with all of the activities I've got planned for the Butterflies! I hope you have a fun and safe 4th of July!

Lots of love~ Ms. Jennifer

Wishing you all  
a safe and happy  
**4TH OF JULY!**
