Welcome to June!

We are so excited about all the fun that summer brings! We have so many fun activities planned, please keep your child's monthly calendar handy, it will have the date and times of the special activities listed. If we have a special event planned on a day your child is not scheduled, feel free to come on down! We will also post the special events on Remind the day prior as a reminder. If you haven't paid your activity fee yet, please do, these events are fun, but pricey! We will add in water play days weekly, but we will announce those on Remind. If I plan on them in advance, I swear the temperature drops 20 degrees the day of!

Summer is one of my favorite times of the year. It's one of my least favorite times of the year too! It's hard to say good-bye to kids you have grown to love. We say good-bye to a great bunch of Pre-K kids and wish them well as they start Kindergarten. I know they will do great, and I expect a visit to hear all about kindergarten!

Thank you to all the moms who were able to attend our Mother's Day Tea. It was so nice to see moms be able to take a minute to meet new friends and take a little break. Hope you all had a great Mother's Day.

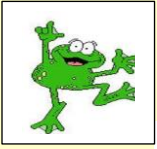

Hey Dads-It's your turn! Please join us on June 14 for Donuts with Dad. It will be held from 7-9am, please stop by for a donut with your child. I'll try to have coffee this year, I seem to forget that! Great way to start your Father's Day weekend.

Please make sure your child has extra summer clothes in their cubby. We tend to get a little messier, and definitely wet during the summer, and we like to be able to change their clothes after a wet/messy activity. If your child is full day, please make sure you apply sunscreen in the morning and we reapply with your child's sunscreen before afternoon recess. We will let you know if your child is running low on sunscreen.

Here's to a great month! See you next month!

Love,

Ms. Colleen

Fantastic Frogs

Hello Frog Families!

Wow I can't believe it is the end of the year already! It has been so wonderful getting to know your child and watching them grow throughout the year. They all will hold a special place in my heart. I am wishing all my kids nothing but the best as they take the next step and enter kindergarten. Mark your calendars, graduation will be held on Friday June 7th at 6:30pm. Please have your child at the parish hall at 6:15pm sharp.

We will continue with our summer themes as well as reviewing numbers, letters, and writing. Please remember with it being hot outside to apply sunscreen to your child in the morning and we will reapply every afternoon. Looking forward to a fun filled summer!

Love,
Ms. Diana

Outstanding Owls

Hello Owl Families!

May has come and gone in the blink of an eye! The Owls did so much this month, such as celebrate Mother's Day, learn about children all around our world and explore different snacks eaten in different countries! We held our very own International Food Festival within our classroom and absolutely loved trying new treats! Our favorites were Seaweed from Japan and Stroop waffles from the Netherlands — Yummy!

We wrapped up our month by focusing on Graduation practice for our handful of graduates moving on up to kindergarten! We are so excited to send them off and watch them succeed. Good luck, Owls!

For the month of June, we will be diving right into so much summer fun with special surprises each week for all the friends at St. Michael's! But first... GRADUATION! Our Graduation ceremony will take place on Friday, June 7th. We are looking forward to this very special evening! For our friends with their last day quickly approaching in June, we will miss them all and wish them the best of luck in their next adventure and school! We know you will be great in all that you do!

As mentioned in the previous month, please send your child to school with their first round of sunscreen already applied. We will apply another round in the afternoon! Hats are encouraged and recommended! Summer is upon us! Let's enjoy it!

Love, Ms. Carla

Terrific Tigers

Hello Tiger Families,

Wow, I can't believe it's the end of the year already! It has been so great getting to know and watching your children grow over the year. I loved having your children in my class and I am going to miss each and every one of them. This is such a hard time of year for me, having to say goodbye to all the great families. Hopefully you will come by and visit. I wish nothing but the best for all the Tigers as they enter into kindergarten and start a new chapter in their life!

Graduation is coming so fast, June 7 @ 6:30 pm. The kids have been working so hard practicing for their graduation ceremony. It is going to be an amazing night!

Don't forget your tissues. Our summer program starts June 10, with lots of great activities. I will also continue to work on their writing skills, letter and number recognition throughout summer. Be sure to check out the calendar for all the fun activities we will have planned throughout the summer.

Love, Ms. Misti

Cub Central

Hello Cub Families,

I want to start by saying a big THANK YOU to all our families for the love during Teacher Appreciation Week. All the notes and treats blew me away.

We closed out the school year celebrating our wonderful moms and learning about important community helpers and children around the world. It was great to see you and your child enjoying the Mother's Day party.

This month we welcome Summer, get a visit from the Snowie bus, have a puppet show, and a magic show, and a visit from lots of different animals. We also will enjoy lots of water play! We'll also recognize our hard-working Dads with a gift and special donut event.

With warmer days ahead, please make sure your child is equipped to stay cool and hydrated. Please replace or add spare clothes to their bin with correct sizes and weather appropriate apparel. Bring a water bottle labeled with their name and filled with water. Most importantly, don't forget to apply sunblock in the morning! We will reapply in the afternoon.

Love, Ms. May

Flamingo Fun

Hello Flamingo Families,

Hard to believe that we are officially done with our school year and moving into summer. We all love summer time where we have hot and fun days. This past May we kicked off our week by celebrating all our wonderful mother's. It was so great seeing so many Flamingo moms come enjoy an afternoon with their little ones. We spent a week talking about community helpers becoming nurses helping with band-aids. Biggest highlights were having the sheriff's department talk to us about safety and allowing us to look inside their car. We then had 3 tow trucks give us a demonstration of how they tow cars and we got to sit inside one of the trucks. We then made our passports and used our imaginations to travel to different parts of the world to see how other children in our countries live.

For the month of June, we get to welcome our summer fun, become Little Picassos and Mad Scientists. We also have some fun special events planned as well.

Check out our calendar for our special events such as our Father's Day celebration on June 14th, a Snowie bus, puppet show and magic show! As well as we will be closed on June 19th to observe Juneteenth.

Get ready for a fun filled summer!

Love, Ms. Miriam and Mr. Louis

Sea Turtle Times

Hello Sea Turtle Families!

We can't believe we are ending the year already and we're starting this summer program already.

This year has been a blast to see the Sea Turtles grow so much in the year. We are so proud of their growth, their personality, their compassion and how much they learned this year. Thank you so much for your support in the classroom. It was very appreciated and helpful this year.

We had so much fun decorating our Mother's Day gifts last month. We loved learning about children around the world. Our favorite was different types of art projects and tasting the yummy food.

Sea Turtles will have an end of the year teddy bear picnic with the Cubs. We will work on Father's Day gifts this month and we will kick off summer program.

We excited for the new summer themes.

A little housekeeping note, please check your child's cubby in their little bin and switch out their clothes for summertime clothes. We should have 3 sets of t-shirts, shorts, underwear and socks. Thank you!

Happy Summer!

Love, Ms. Kittie and Ms. Liz

Duckling Details

Hello Duckling families,

Wow! The school year went by so fast! We had a lot of fun in the month of May. We worked really hard on our Mother's Day gifts and cards. Our photo cards were so super cute! We then focused on learning about community helpers. We worked like nurses and put bandages all over our art project. We were visited by the police and tow truck drivers. It was a lot of fun. Then, we learned a lot about different counties around the world and how to say "Hello" in several different languages and we got to see what other flags from those different countries look like. We also tried some snacks from around the world. May was quite an informative month.

Even though the school year is over, it doesn't mean that any of the fun we've been having is gonna stop. June is loaded with so many great activities! We'll be welcoming summer with some fun projects. During the next week, it's everything Picasso. We're gonna have so many wonderful art activities. Then, in the following week, we're going to be exploring as mad scientists, getting into all kinds of fun sensory. We are so excited for the upcoming months as we move into Summer. It's going to be a blast!

Lots of love~ Ms. Jennifer & Ms. Maria
