Colleen's Corner

Welcome to July!

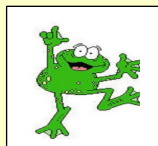

We had fun at the Donuts with Dad event. Thanks for all who were able to come out. Our Pre-K Graduation was really special too, we wish all our Pre-K kids the best of luck as they head on out to big kid school. You will be missed.

The fun of summer continues! We had a blast at our shows last month. The puppeteer was new and the kids really liked the show. Fur, Scales and Tails was new too, and that was even more fun. We loved the Snowie bus, and rumor has it that it may be b Our old favorite magician was back and that was great too! This month we have a 4th of July bike parade scheduled. We will decorate our bikes on Tuesday, July 2nd with red, white and blue decorations, and bike around the parking lot at 11:00 (don't worry, a special area will be cordoned off). We'll end the parade with a picnic lunch on the grass. Don't forget to dress in red, white and blue.! The Bubble show is the 18th, Special surprise visitors (fingers crossed it's Spidey and Belle) are coming on the 19th and the Petting Zoo is the 25th. We also have Ms. Jen's scout troop coming to Camping Week July 8-12. They will be leading some real camp activities, singing songs, and hopefully teaching me how to tie a proper knot! So much fun up ahead! Again, if there is a show or event scheduled on a day your child doesn't attend, just come on down! We will post the times on Remind the day prior to the event, sometimes there are last minute changes.

That's about all from me this month! Looking forward to a fun 4th and having fun here at school too! The summer will be over before you know it, so we are all going to enjoy these fun filled days!

Here's to a great month! See you in August!!

Love,
Ms. Colleen

Fantastic Frogs

Hello Frog Families!

Well hello from Ms. Colleen! Ms. Diana is on the mend and we hope she will return sometime in July. She did stop by in June to say hi, the kids were very happy to see her.

I just want to let you know how great your kids have been through her absence. We have tried to keep their routine as consistent as possible, but even on days where things were a bit different, the kids rolled with it. We have had Ms. Jen subbing for most of the days, but Mr. Louis has filled in, as well as a sub from our sub agency. The kids have adapted so well and have been super helpful to whoever is the sub. They were sure to point it out when I wasn't doing something the correct way :) I have no doubt they will be quite successful in Kindergarten!

Have a great month!

Outstanding Owls

Hello Owl Families!

Wow, June came and went so quickly!

This month, we welcomed Summer with open arms with so many exciting activities! We started off the month with Graduation. It was such a happy occasion and we are extremely proud of all the Pre-K graduates! Good luck in Kindergarten! We kicked off Summer at St. Michael's with delicious shaved ice. What a perfect way to cool off! Later in the month, we got to experience a really awesome puppet show and magic show. We were all so blown away by the tricks! June was awesome!

For the month of July, we will be starting the month off with a four day weekend to celebrate the Fourth of July! Wishing everyone a great long and relaxing weekend! We will also have fun with water play, talk about camping, fairytales, sports and more! So many more fun experiences are coming our way and we can't wait to make more memories together.

Please be sure to bring a sunscreen bottle for your child, labeled with their name and place it in their cubby! Apply the first round at home for the morning time, and I will be sure to apply the second round after rest time!

Love, Ms. Carla

Terrific Tigers

Hello Tiger Families,
First off, I want to say congratulations to all the graduates.

I hope you all had a wonderful Father's Day! It was nice to see so many Dads that were able to come for Donuts with Dads, they had a great time.

Wow July, I can't believe it. Well, we are officially in summer now. Our themes for this month are Stars and Stripes, Lets go Camping, Fairy Tale and Fantasyland, Down on the Farm and Sports. We have some great activities planned. We have some water activities planned, so please make sure your child has extra clothes, also check your child's extra clothes to swap out for appropriate size and for the warmer weather. Please remember to apply sunscreen on your child/children every morning, we will reapply in the afternoon. Please send a bottle of sunscreen for your child to keep here. Reminder we are closed Thursday & Friday July 4 & 5. If you have any questions, please don't hesitate to ask.

Love Ms. Misti

Cub Central

Dear Cub Families,

June flew by & we are ready for the sunshine to continue; please don't forget to apply sunscreen each morning before your child arrives to school. Last month, we welcomed Dads and caretakers for our morning with donuts. The Cubs were so excited to make your special gifts. We also had a blast at the Puppet Show, Magic Show & the Furs, Scales and Tails show this past month.

In July we will have a ton of fun events, including a Bubble Show, Character Visit, Water Play and a Petting Zoo! Our themes this month include; Stars & Stripes, Let's Go Camping, Fairy Tales, & Down on the Farm.

You may have noticed that some children have been visiting other classrooms as well as some visiting the Cubs room. Summer is a great time for our friends to explore and become familiar with another room before the next school year. They love the opportunity to play in a different setting with new friends. Please continue to build their independence and encourage them to do more on their own in preparation for the Fall.

Love, Ms. May

Sea Turtle Times

Happy Summer Sea Turtles Families!

Last month the Sea turtles were enjoying the warm weather, messy art and making our Father's Day gifts! We've been enjoying ducklings visiting our classroom and playing with them.

It's summer, we will be getting wet and messy, please check your child's bin in the cubby daily. Remember to apply your child sunscreen in the morning and we will apply it in the afternoon.

We are enjoying for summer time program. We love our sweet treats of snow cones, the magic show and the sea turtles loved the animal show.

We are excited activities with the bubble lady, character visit and the petting zoo! So much fun!!

Have a wonderful Fourth of July,

Love,
Ms. Kittie and Ms. Liz

Flamingo Fun

Hello Flamingo Families,

Hard to believe that we are one month done with summer and we have had so much fun. We started our summer time with lots of crafts in the classroom and some pretty great visits, we had a Perry Van the magician, the shaved ice bus, Furs, Scales and Tails animal show and fun water play. We also got to celebrate our wonderful dads and it was so great to see so many of our dads spend the morning with their kids. We ended this June by getting ready for the 4th of July. As we move into July get ready for more fun with themes like Stars and Stripes, let's go camping, fairy tales, down on the farm, and sports week. This summer fun is just getting started and I can wait to see all the fun we'll have as a class.

Please remember to look in your child's extra clothes bin to see that all clothing is size and weather appropriate.

Let's keep enjoying our summer fun and enjoy our time together.

Love,
Ms. Miriam and Mr. Louis

Duckling Details

Hello Duckling families,

Time flies when you're having fun and the month of June made no exception. We had such a fun time making all kinds of art, eating snow cones, visiting live animals and exploring with different kinds of science activities.

We've got so much planned for July. First, we'll get ready to celebrate the 4th of July with some red white and blue art and relax with a movie. During our second week, we're doing all things camping with dramatic play in tents and using binoculars. Our third week is fairytales. We're gonna hunt for treasure, make fairy potions and visit with princesses! The following week, we've got a petting zoo to look forward to. During the final week of July, the ducklings will participate in all kinds of sporting events. It's going to be a great month!

Summer is moving so fast, but it isn't over yet! We're forward to playing, eating yummy snacks and exploring with all of the activities we've got planned for the Ducklings! We hope you have a fun and safe 4th of July!

Lots of love~ Ms. Jennifer & Ms. Maria
