Welcome to the 2025-2026 School Year!

Welcome families, we are glad you're here! Summer is fun, but there is nothing like a new school year! We are ready for all the fun the new year brings!

I hope you picked up the Back to School packet. On the back page is the Calendar for the 2025-26 school year with all the special events and holidays listed. If you did not get one, pick one up at the sign in counter.

Back to School Night for the Pre-K classes (Busy Bees, Tigers, and Llamas) is Wed, Aug 27<sup>th</sup> at 6:30. We will go over the Learning with Tears Curriculum as well as how we help get your child ready for school success! Child care will be provided, but you must sign up in advance! Sign-up sheet is in the office. Back to School Night for the preschool classes (Ducklings, Cubs, Sea Turtle's, and Flamingo's) is on Sept 4<sup>th</sup> at 6:30. Child care will be provided that night as well, please sign up in advance! We will go over curriculum and classroom expectations and goals, you bring any questions you would like answered! The meetings usually last 30-45 minutes.

The Annual Supply Fee of \$140 per child is due by September 20<sup>th</sup>. You can include it in your regular tuition payment or separately if you prefer. This supply fee helps keep our classrooms well supplied. Over the summer we added so many new items to classrooms. It is so fun to see the kids engage in the materials; they are so smart! They correct me daily when I mix up the types of dinosaurs!

This time of year is so exciting! I love seeing them make new friends, try new things, and become so confident mastering new skills. I just know it is going to be a great year!

Until September,

Ms. Colleen

## Busy Bees

Hello Busy Bees Families!

I would like to welcome all of you to the Pre-K Busy Bees. I am so excited to have your child in my class this year! July was packed with fun and excitement. We had a blast at Furs Scales and Tails, and they really loved Perry Yan's Magic Show. The petting zoo was also a big hit.

Kicking off the upcoming school year, I will be introducing school routines while fostering their social and language skills. This will help to create a warm and nurturing classroom environment. Your child will be making new friends and getting comfortable in their new classroom. There will be many learning opportunities that include expressing their needs, developing fine motor skills, using their imagination, and utilizing table manners as in "please" and "thank you." All of this while having fun! Our themes for September are Welcome Week, All About Me, Fire Safety, and School Safety.

If you have any questions or concerns, please feel free to ask. Looking forward to a wonderful year with you and your child!

Love,  
Ms. Diana

## Terrific Tigers

Hello Tiger Families,

Happy August, time is flying by! As our summer comes to an end, we will have to say goodbye to some of our friends who are heading off to kindergarten, we will miss you!

I am excited to have your child in my classroom this year. We have an engaging year ahead. We will start the year by discussing random acts of kindness and what that means. They will also be working in their workbooks to build important skills.

If you have any questions, please feel free to reach out. Please try to have your child arrive by 8:30. Also, please check their cubby to make sure they have a full set of clothing (shirt, pants, underwear, and socks) in a gallon-sized Ziplock bag.

Love,  
Ms. Misti

## LOVELY LLAMAS

Dear Llama Families,

Welcome back to a wonderful new school year! I am so excited to be the teacher in the Llama classroom and look forward to working with you and your children. This year in Pre-K we are learning about Acts of Kindness and will be incorporating it into our lessons throughout the year. I hope to see you at the Pre-K Back to School Night, I have so much to share with you! Here's to a wonderful school year.

Thank you,  
Ms. Franie

## Cub Central

Hello Cub Families,

We are ready for the new school year! I am so excited to welcome our new Cub friends to the classroom and kick off another great year of learning and fun! As we head into the 2025–2026 school year, we are excited to continue building a supportive, engaging, and inclusive learning environment for all. Together, we will explore new ideas, celebrate growth, and create lasting memories along the way. Let's make this year our best one yet!

Love,

Ms. May

## Sea Turtle Times

Hello Sea Turtle Families,

Welcome to a new school year!

This month, we will learn our class routine and work on follow directions. We will explore the classroom and doing some exciting activities to start school. We'll also practice greeting our friends and teachers when we come to school and when we say goodbye.

A small housekeeping note: Please check your child's cubby every day. We need three of everything in the bin: socks, underwear, pants, and shirts. If your child has an accident, it is easy for me or other teachers to grab the clothes.

One of my main goals this few months is potty training. I will reach out to you soon and we can start working together on this.

I am really excited that your child is in the Sea Turtle class this year and that we will embark on this new school year together.

Love,  
Ms.Kittie

## Flamingo Fun

Dear Flamingo Families,

Welcome to a brand-new school year! We are so excited to kick off another fun filled year of learning, growing, and making new friends in the **Flamingo Class!**

This month, our social-emotional theme is on **"Greetings."** We will be practicing how to say hello to our friends and teachers using kind words, smiles, and even waves or high-fives. It's a great way to build confidence and connection as we start our time together.

**Please save the date for our Back to School Night on Wednesday, September 4th at 6:30 PM.** This is a wonderful opportunity for grown-ups to meet, learn more about our class, and see what your child's day looks like!

We are looking forward to a joyful and memorable year ahead.

Love,  
Ms. Charlotte & Ms. Keri
