Colleen's Corner

Welcome to March!

Lots of fun up ahead! We will be celebrating Read Across America week with lots of fun activities. Please check the white board or Remind to see the schedule.

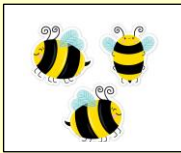

Every year we host a Vision Screening for children aged 3 and up. We will be doing the vision screenings during the week of March 16-19. If you DO NOT want your child's vision to be screened, please let me know. Otherwise, we will have them screened and you will get the results. The screening is done through a Certified Pediatric Vision Screener and is funded through the Elks Club with no cost to you.

If you haven't done so already, please let us know your plans for summer and fall. We have very few spots left, and some classrooms are completely full. Don't miss out, let us know what your care needs are! We have lots of fun shows scheduled for the summer and are adding new activities daily. It's gong to be another fun summer!

We will be celebrating St. Patrick's Day, I hope this is the year we catch those sneaky leprechauns! We will also, weather permitting, start our spring clean up in the garden and start doing some planting. We are hoping to add some new things to the garden, just you wait and see! We will also finish painting the shed and getting the yard ready for warmer weather. I can't wait to enjoy the sunshine with the kids!

Here's to a fun month,

Ms. Colleen

Busy Bees

Hello Busy Bees families!

It's March already, wow time is flying by! Thank you to all my families who participated in our Valentine's exchange, the kids had a blast! The week was definitely filled with love.

We started our lower case letters and it's going well! Please continue writing and doing letter recognition at home too.

During this month we will celebrate Dr. Seuss's birthday and Read across America, How our bodies Work, Bugs and Insects, and St. Patrick's Day. Once again, we will build a leprechaun trap and try to catch that little fella, boy he is sneaky and always up to some mischief!

Love,
Ms. Diana

LOVELY LLAMAS

Dear Llama Families,

The Llama Class has been busy learning and exploring together! We started by celebrating Groundhog Day, where the children learned about the tradition and made their own predictions about whether the groundhog would see his shadow. We also had a wonderful Valentine's Day filled with kindness, friendship, and creativity. The children created beautiful Valentine's art and practiced sharing kind words with their classmates. Thank you to all the families who participated in our special "This Is Me!" project. The cut-out people representing each child were incredibly creative, and the children were so proud to share and talk about what makes them unique and special.

We also spent time learning about maps and how they help us find places. The children created their own maps and explored real maps to locate our school, which sparked great conversations about their homes and community. In addition, we learned about Lunar New Year and explored some of the traditions and symbols connected to the celebration. The children enjoyed creating festive art and learning about how people celebrate around the world. We are so proud of the Llamas and all the curiosity, creativity, and enthusiasm they bring to our classroom each day!

Warmly,

Ms. Franie

Terrific Tigers

Hello Tiger Families,

I wanted to say thank you for all the wonderful Valentines gifts, that was very thoughtful, and I love them all. We had so much fun celebrating Valentine's Week together!

♥ From sharing heartfelt messages and wearing bright rainbow colors to making friendship bracelets, every day was filled with smiles and kindness. It was such a special week making sweet memories with our Tigers!

Wow I can't believe it's March already, time sure is flying by. We started working in our lower-case workbooks and they have been working very hard taking their time, I am so proud of them. I have also introduced word time, and the kids are enjoying Squawker the parrot and trying to figure out where he will be next. Hopefully soon you will notice them starting to speak in complete sentences. Please continue working on letter recognition, writing, as well as cutting with scissors, if you need any ideas, please let me know. We have lots of exciting activities planned for this month. Our themes are Read across America, how my body works, get your body moving, Bugs and insects, and St. Patrick's Day. We are also going to build a trap to try and catch that tricky leprechaun, hopefully this year we can catch him!

Love
Ms. Misti

Social-Emotional Focus

Participating and Staying on Task!

How we meet our own wants and needs but also be respectful of our daily routine.

Cub Central

Hello Cub Families,

February flew by and was filled with wonderful holiday celebrations! We also focused on kindness, learning how we are alike & different, and how to respect & appreciate those differences.

During the first week of March, we will celebrate our love of reading with Read Across America. Be on the look out for fun spirit days next week! This month, we will be learning about different types of weather and we will celebrate St. Patrick's Day. Our social/ emotional focus will be on participating, staying engaged and trying our best to remain on task.

A friendly reminder: Please make sure your child is dressed in clothes they can manage independently. It's a great idea to practice at home, helping them put on jackets (zipper or button), pants, and shoes by themselves!

*Wishing everyone a fun & lucky March!
Love, Ms. May*

Sea Turtle Times

Hello Sea Turtle Families!

We had a wonderful February! We enjoyed a fun Valentine's Day week and all the special goodies that came with it.

We're kicking off March with Literacy Week, featuring some of Ms. Kittie's favorite books — Pete the Cat and other all-time favorites!

During St. Patrick's Week, we'll be doing lots of colorful rainbow activities and decorating a special trap to try to catch a leprechaun.

We'll also begin growing seedlings, learning about gardening, and exploring farm animals as we welcome the start of spring.

Have a great March!

Love,
Ms. Kittie and Mr. Ethan

Piglet Place

Hi Piglet Families!

What a wonderful February we had! We celebrated Valentine's Day for a whole week, took part in Fat Tuesday festivities, and rang in the Lunar New Year together. Throughout the month, we spent time talking about self-love, respecting one another's differences, and noticing the many ways we are all the same. It was so special to hear the children share what makes them unique and what they appreciate about their friends, family, and teachers!

We also spent time building important Pre-K readiness skills. The Piglets have been working hard on independence—especially making their nap beds all on their own! It's been exciting to see their confidence grow as they practice taking care of their own things and helping their classroom community.

Looking ahead to March, our themes will include Read Across America, St. Patrick's Day, and weather. Our social-emotional focus will be participating and staying on task—strengthening our ability to join group activities, follow through, and feel proud of our hard work.

We're looking forward to another month of learning, growth, and lots of fun together!

Love,

Ms. Charlotte and Ms. Keri

Duckling Details

Hello Duckling families,

We had a great time in the month of February. We explored with our shadows as we learned about Groundhog Day. We made some really cute football art just in time for the Superbowl. We celebrated Valentine's Day by making a yummy snack together and we made sure to take good care of ourselves with some self-love, staying hydrated and enjoying a much-needed spa day!

March will be jam-packed with so many colorful activities as we start to move into Spring. For the first part of the month, we will be reading some of our most favorite books and creating some amazing art to go with them. Then of course we will be celebrating St. Patrick's Day. Make sure to wear plenty of green! Lastly, Ducklings will be learning about the weather by watching the clouds and observing the wind.

Can't wait for the new month to begin!
Lots of love~ Ms. Jennifer & Ms. Maria

March Lunch Menu
