Little Explorers Petting Zoo 10:00

Looking Forward to Next Month

August 14th

Closed for Teacher Inservice

August 17

First day of the new school year!

Colleen's Corner

Welcome to July!

More summer fun headed our way! Lots of shows this month, a special water activity planned (whenever it gets warm enough) and lots to keep us busy!

Thanks to all the dads that were able to join us at our Donuts with Dad! It was a lot of fun and we appreciate you taking time out of your day! Lots of special events this month, they are listed to the left. Please note the times of the shows. For the Roaring Foam party, please have your children bring a bathing suit and water shoes or sandals that they can get wet. Extra clothes they can change into afterwards too!

We are working on class lists for the 2026-2027 school year. We like to have the kids visit the different classrooms to see which ones they feel most comfortable in. If you anticipate a change in your child's schedule, please let me know as soon as possible as we are almost completely full for the fall.

In previous years, the Yearly Activity Fee has been due in Sept. With the approval of the church's Bishop Committee, the yearly Activity Fee is now due in July. I typically do a lot of the purchasing for new materials and consumables during the summer, so this just makes sense. The Yearly Activity Fee is \$140 and is good for the 2026-27 school year. Any questions, see me!

Let the fun of the summer continue! As a reminder, we are closed on July 3rd and July 6th for the 4th of July break. Hope that you and yours have a wonderful holiday!

Until next month,

Ms. Colleen

Busy Bees

Hello Busy Bees Families,
 Hooray for Summer! For the month of July, we will be diving right into more summer fun with special surprises and exciting crafts each week. Our themes will include Stars and Stripes, Under the Sea, Little Chefs, Dino Discovery, and Animal Safari. With a lot of our friends' last days quickly approaching we will all miss them and wish them nothing but the best as they enter kindergarten. I know they will all do great!
 As mentioned in the previous month, please send your child to school with their first round of sunscreen already applied. We will apply another round in the afternoon. Please have a sunscreen sent to school with your child's name on it. With the warm weather here, check that their two extra sets of clothes are weather appropriate.
 Looking forward to a fun-filled month!
 Love,
 Miss Diana

Lovely Llamas

Dear Llama Families,
 June was filled with fun, laughter, and exciting learning experiences in the Llama Room! The children enjoyed plenty of summer activities, including water play days where they splashed, explored, and cooled off with their friends. We also spent time dancing, creating colorful art projects, and celebrating the special people in our lives. One of the highlights of the month was our ****Donuts with Dad**** celebration, where families shared a special morning together. The children were also delighted by a wonderful puppet show and amazed by an exciting magic show that brought smiles, laughter, and plenty of surprises.
 As we look forward to July, we have many exciting adventures planned! The children will celebrate the Fourth of July with festive art, songs, stories, and activities. We are also looking forward to a fun-filled Foam Party, a visit from ****Fur, Scales, and Tails**** where we will learn about amazing animals, and a magical presentation from the ****Bubble Lady**** featuring giant bubbles and hands-on fun. To make the month even more special, we'll welcome a petting zoo, giving the children an opportunity to interact with friendly animals and learn more about the world around them. We can't wait for another month of summer fun and discovery together!

Love, Ms. Franie

Terrific Tigers

Hello Tiger Families!
 What an amazing start to our summer! June has been filled with sunshine, laughter, exploration, and lots of fun. We've spent plenty of time outdoors enjoying the beautiful weather and making wonderful memories together. Inside the classroom, we've been refreshing and rearranging different areas to provide new opportunities for learning, discovery, and play.
 One of the children's favorite spaces this month has been our art center! The Tigers have loved creating independently, choosing their own materials, and expressing their creativity in unique ways. To help keep our art area stocked, we are gladly accepting donations of supplies such as paper, pipe cleaners, stickers, pom-poms, tissue paper, and other craft materials. Thank you for helping us continue to inspire creativity!
 We have lots of exciting activities planned for July, including Fourth of July themed crafts and fun, special shows, a petting zoo visit, and a foam party that is sure to be a hit.
 On a personal note, I have truly enjoyed my first month as the Tiger teacher. Getting to know these wonderful children and building relationships with them before they head to kindergarten has been such a joy. Thank you for sharing your amazing kiddos with me!
 Here's to a fun-filled July full of friendship, adventure, and summer memories!
 Love,
 Ms. Keri

Cub Central

Hello Cub Families,

June was a blast! Our Cubs had an amazing time at Donuts for Dad, the Ricky Roo Puppet Show & the Perry Yan Magic Show! The month was packed with fun, and now we're ready to dive into July!

This month, get ready for a new adventure each week with our exciting themes: **Under the Sea, Little Chef's, Dino Discovery and Animal Safari.** We're also excited for the Foam Party, visits from Furs, Scales & Tails, the Bubble Lady and the Petting Zoo.

As a reminder, please check your child's cubby and update it with summer-appropriate clothing to keep them cool and comfortable throughout the day.

Here's to another month filled with **sunshine, smiles, and summer fun!**

Love, Ms. May

Sea Turtle Times

Happy Summer, Sea Turtle Families!

We are having an amazing time in our summer program! We loved enjoyed Ricky Roo puppet show, and the magic show, it was a blast! We are excited for July and all of the fun activities we have planned, including a foam party, a visit from the Bubble Lady, petting zoo and more!

Since it's summer, we'll be getting wet and messy with lots of art and sensory activities. Please check your child's bin in their cubby. Also, please make sure all extra clothes are placed in the container in their cubby. We recommend bringing three complete changes of clothes.

July, we'll be creating lots of Fourth of July art. After the holiday, Mr. Louis will be in the classroom while Ms. Kittie is on vacation, and he has many fun activities planned for the class.

We hope you all have a safe and wonderful Fourth of July!

Love,
Ms. Kittie

Piglet Place

Hello Piglet Families,

Thank you to everyone for helping us kick off summer on the right foot! June has been a month full of transitions – Ms. Keri moved out of our classroom, and we've welcomed new friends while saying goodbye to others as they move to new classrooms or schools. These changes can feel like a lot for us as adults, so just imagine how much our little ones are taking in! Through it all, the Piglets have shown so much resilience and heart. I am incredibly proud of them!

June was filled with lots of fun! We enjoyed the warm weather with plenty of water play and dance parties, celebrated Father's Day with Donuts with Dad, got to see some fun animals at the Ricky Roo Puppet Show, and watched some amazing magic at the Perry Jan Magic Show. July is shaping up to be just as full of fun! We have many more exciting events coming up, including: Foam Party (7/15), Furs, Scales and Tails Show (7/20), Bubble Show (7/22), and Petting Zoo (7/30). A reminder that school will be closed July 3-6th in celebration of the 4th of July.

Here's to more summer adventures together!

Love,
Ms. Charlotte

Duckling Details

Hello Duckling families,

June has been a very busy month! We welcomed in so many new ducklings into our classroom. While everyone is still getting to know each other, we've been focusing on adjusting to new routines and expectations. That certainly does not mean we didn't have any fun though. Donuts with dad was a really special experience and we loved making our gifts for Father's Day. We also did plenty of art and got to enjoy a puppet show and a magic show! It was so much fun.

We're looking forward to July with our red white and blue activities, learning how to cook and exploring with animals. The weather has been getting warm, so please remember to bring in labeled sunscreen so that we may apply it to your little duckling in the afternoon. Please also check your child's spare clothes to make sure they have summer appropriate extras. We can't wait to spend the rest of summer with you!

Lots of love~ Ms. Jennifer & Ms. Maria
